Andro Bar

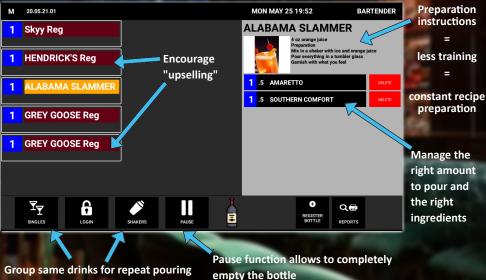

Liquor Control System

Optimize your operations and protect from "over-pouring"

> Save 20% of your liquor costs

Punch

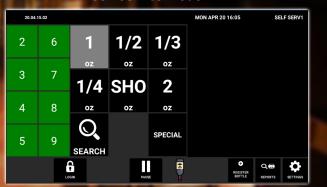

Compatible with all POS systems with our **Universal interface.**

Every order appears on the pouring station, with the exact ingredients, pictures, and instructions.

Group same drinks for repeat pouring

Self-Service Mode

Control while mentaining the flexibility to prepare a custom recipe; 6 pouring sizes plus 'Special' selectable size. Look-up function for recipes.
